Naturspire is a certified woman-owned business that is on a mission to enhance the vitality of space with NATURE by implementing biophilic design techniques that create enjoyable, productive, healthy, and happy environments where people thrive. We work in commercial and residential capacities to design-build, install, and maintain interior & exterior landscapes. Naturspire manages multiple facets of projects and offers turn-key solutions that ensure smooth, safe processes and efficient, timely completion.

Project Management

Naturspire builds teams with multiple skill sets to bid a scope of work as one unit serving as the direct line of communication with the general contractor, owner or owner's rep to:

- Coordinate submittals
- Monitor costs and change orders
- Qualify subcontractors
- Schedule Workforce
- Train and enforce safety measures (OSHA Certified)
- Design and manage all details necessary for successful completion of the SOW
- Manage Close Out/Warranty Details

BIOPHILIC DESIGN

Creatively connecting people with nature
by enhancing the built environment

Moss Walls

Preserved moss walls are a maintenance-free interior design element that adds life to any space without the need for light, watering or special attention. Its acoustic properties can be incorporated into ceilings and walls or combined with other natural elements such as preserved plants, wood, stone, or logos. Design possibilities are limitless.

Other Capabilities

Need a solution or help with a project? Ask Naturspire!

Living Walls

Inside or out, a wall full of air-purifying live plants is a beautiful, wellness-inspiring way to complement architectural and interior design. Multiple shapes, sizes and plant varieties create custom living art pieces. Living walls require consistent watering with automatic or manual irrigation and maintenance by Naturspire's professional horticulture specialist.

220 North
Indianapolis, IN

Events

"Crossroads of America" - the theme behind this living wall for the Global Economic Summit. From Instagram-worthy back drops to planters and plants that enhance meeting spaces, our team designs around your budget, installs and maintains the plants for the duration of the event.
